

Dockets Management Branch (HFA-305)
Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

MAY 19 P3:29

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

Due to removal of my ovaries, I take a med.
that is impossible to get locally without the
immense expenditure of time & energy.

I see NO reason why one or two month
Rx should not be available to me by mail.
It hardly represents "stock piling"
NO LOCAL PHARMACY CARRIES THE Rx I NEED!
NOT AVAILABLE BY A MANUFACTURER
AND THEY WILL NOT COMPOUND.

Please do NOT compromise my health.
